Chapter 1 by Marry Okubamichael

Welcome to the school of Stukey,a school not far away, where kids go to learn about subjects,the teachers there call important.But the only reason some kids would want to go would be to be with their friends. the school would at least have more than 4 people going to SOS every week,a place where some kids call torture, and a dungeon. Here is me,a girl who never went to SOS which technicality means i'm a good student,who is best friends with a bad girl.Well shes not a bad but she is the person who gets in trouble a lot, and most of the reasons aren't because of her.Then there is my other best friend,shes way more better at being good than I am,shes got better grades than me, and does not cause.You could just call me in the middle. I the person who is best friends with the popular kids and just nice with the Not-so-popular kids,although I am nice i'm not friends with them. Here's all the people I am friends with:Dakota,Jaylene,Amber,Romeo,Cj, Ashley,Dominick,Gaberiel,Meriah, and many other people.Leaving them is like leaving diamonds after finding them because someone says they aren't worth anything but I would keep those diamonds if they were my friends.Because being friends with my friends is something you could only do if you won the lottery!
